RelyOn Good - Let's Make a Difference Together

How can we partner with you to make a bigger difference in the communities we serve?

Community involvement looks different during a pandemic. Here are some ways the whole family can volunteer safely and make our community better:

- Make face masks for people in the community
- Write thank you notes to front line workers including grocery workers and trash collectors
- Help an elderly or sick neighbor with yard work
- Pick up roadside trash on family walks
- Bring a hot meal to a neighbor in need
- Visit with a shut-in via Zoom or other technology
